

Upcoming Managed Care Plan Forums

2017 Fall Provider Forums

Ohio's Medicaid and MyCare Ohio managed care plans are hosting regional forums for behavioral health (BH) providers to provide updates on preparations for BH Redesign and Managed Care integration. This is a good opportunity for BH providers to get specific information, ask technical questions, and to meet key contacts with all the Medicaid managed care plans.

Please see below for registration information to 'save-the-date' for these forums. Agendas are forthcoming.
