

UnityPoint Health
Des Moines

**PROGRAM
DIRECTOR
Psychiatry
Residency Program**

Employer: UnityPoint Broadlawns Psychiatry Education
Foundation, Des Moines, Iowa

Deadline: August 31, 2018

Full Position Description: www.dcallc.com

Exciting opportunity for the right candidate to lead a newly accredited Psychiatry Residency Program ensuring residents exposure to research, scholarly activity, and administration to provide a well-rounded experience that complements superb clinical training. Three different institutions for core rotations. Responsible for operations, recruitment, selection, instruction, supervision, advising, evaluation, documentation, advancement of residents, and continuing program accreditation. A negotiable base salary of \$350,000 will be commensurate with the candidate's training and experience. The position offers an outstanding benefit package.

REQUIREMENTS:

- 3 years active faculty with ACGME residency
- 2 years GME administrative experience
- Board certified in Psychiatry and Neurology
